FIELD TRIPS WEEKLY!

We boast the best field trips... period! The trips are about great destinations. Each field trip is programmed and planned by staff to make the most of every experience.

QUALITY STAFF

Camp M staff are adults with extensive training, education and experience. Some Camp M staff have been with us over twenty years! All Camp M staff are committed to Milestones, the Camp M program, and most of all, the children and families we serve. The quality of our staff is what brings families back year after year.
