## WHY CHOOSE SUMMER M?

Summer M delivers exceptional programming in a safe, friendly and nurturing environment. We feature excellent staff/child ratios. Programming highlights weekly specials with a rich variety of outdoor experiences. The large grassy space, as well as the prairie, give children the opportunity to spend hours outdoors playing group games and sports, exploring nature, and doing arts and crafts. Our two weekly field trips extend the fun and experiences to exciting off site locations.

### A VARIETY OF WORTHWHILE ACTIVITIES

Summer M activities are fun, age appropriate and safe. Each week features a wide variety of thematic activities and/or specialty units.

### QUALITY STAFF

Summer M's staff are adults with extensive training and experience. Our staff are committed to Milestones, the Summer M program, and most of all, to the children and families we serve.

### EXCELLENT STAFF/CHILD RATIOS

Our average staff to child ratio will be 1:8, and on field trip days, 1:5! These ratios translate to more activity choices and more individualized attention.

### ACTIVE PROGRAMMING

Summer M is about being outdoors, being active and involved. Our philosophy will engage and involve the children in exciting and fun activities while gaining an appreciation for the environment we live in.

#### FIELD TRIPS

Every week campers have a new and exciting field trip. Summer M is known for its awesome field trips!
